MEDIA ADVISORY

EUROCORPS participates in Belgian National Day parade

Strasbourg, July 3rd , 2017

Headquarters Eurocorps has been invited by Belgian Chief of Defence to participate in Belgian National Day parade to be held on July 21st 2017 in Brussels.

During this year's parade, Belgium, one of the Eurocorps framework nations, wants to show the international dimension of its engagements both in international organizations and in operations.

For that reason, two marching detachments from Eurocorps will join the parade. The first detachment consisting of 30 soldiers has been invited due to the fact that multinational headquarters Eurocorps celebrates its 25th anniversary this year. The second detachment composed of 12 soldiers from Eurocorps have been deployed to the European Union Training Mission (EUTM) in the Central African Republic during the 2nd semester of 2016. They will march abreast with Belgian soldiers from EUTM Mali.

Media representatives interested in covering the participation of Eurocorps in the parade are kindly asked to fill in the attached subscription form and to send back to Eurocorps.

Eurocorps is a multinational headquarters based in Strasbourg, France and composed of Belgian, French, German, Spanish, Luxembourgian, Greek, Italian, Polish, Romanian, and Turkish soldiers at the service of the EU and NATO.
